SIR:

This is in reply to the decision mailed on January 13, 2005 in response to applicants' "Petition to Vacate Abandonment" filed in the USPTO on May 5, 2003. In that decision, the declaration of the inventors was objected to as not being in compliance with 37 CFR 1.497(a)-(b). A copy of the entire declaration submitted to the applicants for signing was requested.

As requested, enclosed please find two copies of the original and complete declarations presented to and signed by the inventors of the subject application. These copies were faxed to us from our United Kingdom office, which obtained the inventors' signatures. The first declaration was signed by the inventors A. Casati and S. Palat in March 2001. The second declaration was separately signed by the inventor H. Yamini in February 2002.

A due date of one month from the date of mailing of the decision was noted.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner of Patents and Trademarks, Office of PCT Legal Administration, P.O. Box 1450, Alexandria, VA 22313 on January 20, 2005.
